A First Class Guest Experience

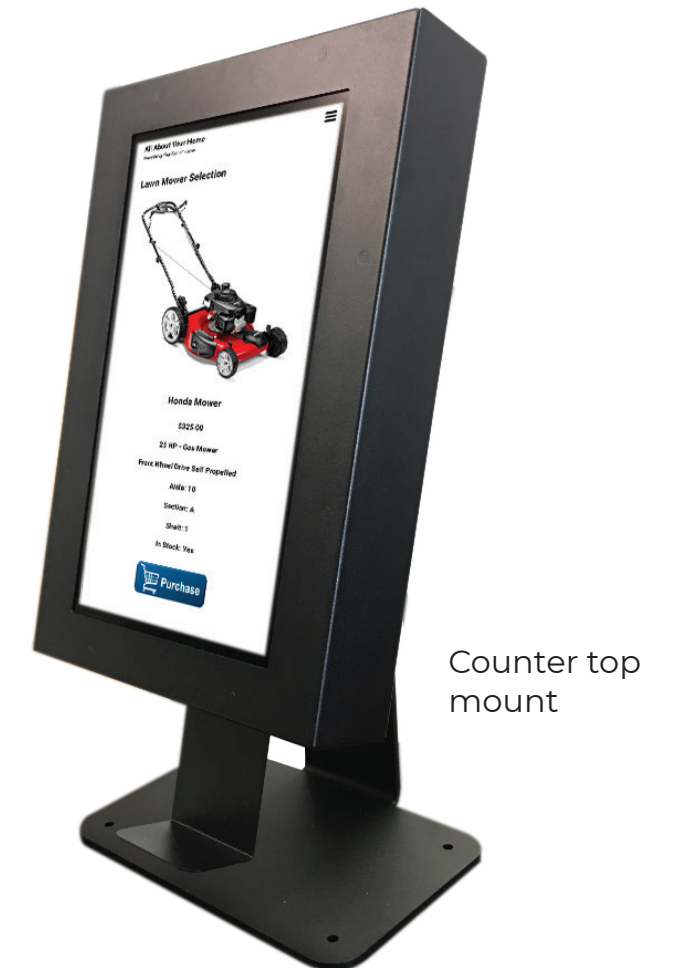

Wall mount

Guest Experience

- Cutting edge design streamlined for the retail environment
- Excite your existing customer base by making it easier to locate products in-store.
- Connect the mobile experience with the in-store experience
- Move payment away from cashiers to terminals disbursed throughout
- Customers can identify products of interest and pickup in store or ship to their selected location
- Offer store rewards points that can be earned, viewed or redeemed on terminal
- Cloud management system for remote monitoring and alerts
- Allow customers to select from a broader range of products without increasing inventory

Hardware

- Terminal designed for pedestal mount, counter top mount or wall mount
- 21.5" Elo HD Monitor with Touch Screen
- Dell PC with i5 processor, 500 GB SSD
- Honeywell Bar Code Scanner
- EMV Complaint Card Reader
- Microsoft Camera
- Optional: Bill Acceptor, Receipt Printer in Premium Model
